

## Gallery Tours – Information and Booking Sheet

The Gallery Team has access to a wealth of fascinating stories about art, culture and history. In particular, we have stories and insights to share about the intriguing people such as artists, writers and architects that have left their traces at Penrith Regional Gallery. The Gallery was originally the home of two artists Margo and Gerald Lewers and is now a vibrant regional gallery with four exhibition spaces and an artist designed garden complete with outdoor sculptures.

Please select from the following options in advance, to enhance your visit by booking a guided tour of the site and its history or the current exhibitions, or a VIP after hours exhibition tour. Alternately you may like a free 7-minute welcome and introduction to the site and then enjoy your visit at your own pace.

Please note that all group visits of over 8 people need to be booked in. This is easily achieved by phoning reception 4735 1100 or by emailing [gallery@penrith.city](mailto:gallery@penrith.city)

Visitors may also like to include a visit to Café at Lewers to complement their tour.

Cafe bookings: 4735 4265
